If you have any questions regarding this report, please contact the Zerigo Care Guide team by calling 877-738-6041 or emailing support@zerigohealth.com.

Patients submit first photo(s) and most recent progress photo(s) via the Zerigo Health App. Photos are subject to availability. Overall Adherence % represents the sum of all known completed treatments for all body locations divided by the sum of all expected treatments, per the treatment protocol, for the date range specified on the report.

Refer to Instruction for Use for full details. https://www.zerigohealth.com/pdf/40-0026_I_Zerigo-Member-Guide.pdf

Patient's self-reported progress checks can have the following values:

- Clear: no signs of psoriasis, perhaps some discoloration (triggers maintenance dosing)
- Almost Clear: hardly any plaque elevation, scaling, and/or redness
- Mild: slight plaque elevation, scaling, and/or redness
- Moderate: moderate plaque elevation, scaling, and/or redness
- Severe: intense plaque elevation, scaling, and/or redness
